

NOCO HBA Foundation's giving society

what is a champion?

A Champion is a recurring donor, donating \$400 or more each year, ideally donating at least \$100 quarterly.

NOCO HBA Foundation recognizes its Champions who generously advance the Foundation's mission through recurring monetary gifts in the following ways:

On the Foundation Website

On Our Donor Page
On Our Rolling Home Page Banner

On Our Mobile Banner

Displayed at Every Event We Attend

On Our Facebook Page

With Posted Thank Yous and Profiles

Become a
Champion here

We're a 501c3 so your
donations are tax deductible

In addition,

our Champions gather regularly to meet and greet other Champions, enjoy a beverage and a nosh, and to hear about how their donations are being used, as well as how they're impacting our Northern Colorado neighbors in need. And, when we have multiple options on our projects, we will call on our Champions to assist us in choosing our **Project Independence** undertakings.

Champions will also receive special communications and updates.

And, as a Champion, you should feel free to brag...tell your friends, family, neighbors and associates; we're always looking for more Champions.

where do donations go?

The Foundation is an all-volunteer organization with little administrative expense, ensuring that your donations are put to use to accomplish our important projects, all in Northern Colorado, including:

Build A Bed

Our annual build of 54 beds for children in Northern Colorado who don't have one.

Operation Backpack

Our annual Christmas elf project to stuff backpacks for Northern Colorado kids who might otherwise not see Santa.

Project Independence

Our new effort to make an even bigger impact on our neighbors in need with grander building projects including ramps or ADA home modifications.
