

NOCO HBA
FOUNDATION'S

Building The Future Scholarship

This award* supports a continuing student or a student graduating from a Northern Colorado high school, desiring post-secondary education in any aspect of the construction industry. The winning candidate(s) will demonstrate a good work ethic, strong interest in pursuing a career in building, construction management, or design, and a willingness to learn.

**One or more scholarships in the amount of \$1,000 will be awarded and will be paid directly to the school of a recipient's choice, upon confirmation of the recipient's full time enrollment.*

Submission Deadline for 2022 Scholarship(s): March 25, 2022 5pm

REQUIREMENTS

4 copies of the application packet (to be mailed to or dropped at the NOCO HBA office) including:

Cover Sheet with contact information, including applicant's name, postal address, email address (if available) and phone number

Typed narrative describing work experience, school and community activities, special honors or awards received-- plus future plans, chosen school and why this field is of strong interest

Transcript with minimum cumulative
GPA of 2.0

Letter of recommendation from one
teacher and/or employer

Portfolio of photographs of 2
examples of work

Finalists will have an interview scheduled to be held at the NoCo HBA office. Recipient(s) will be chosen by a committee consisting of Foundation representatives, and scholarship(s) will be awarded at an upcoming NoCo HBA event or meeting to be announced at a later date.

This award is made possible by the
NoCo HBA Foundation and is administered by same.
