It's Our Big Bed Build: We're building beds for Northern Colorado children who don't have one.

On **Thursday, August 12, between 8am and 1:30pm**, the NOCO HBA Foundation, plus a number of good friends, will be building beds for Northern Colorado kids who don't have one. Too many NOCO kids share a bed, sleep on the couch or sleep on the floor. So, we're partnering with the national organization, Sleep in Heavenly Peace, to build beds...lots of them.

Luke Kamtz of Kamtz Co, located **at 6843 N Franklin Ave, Loveland**, has graciously dedicated a portion of his business space to build these beds, which will then be delivered and assembled at each child's house, along with sheets, pillowcases, comforters and mattresses.

öWe couldn't be doing this if not for the incredible generosity of NOCO HBA members and associates and we can't thank these folks enough.ö

-Kristie Schoellerman, Chair, NOCO HBA Foundation, Inc

We invite you to come see our big bed production and, hopefully, share the great things we're doing with your readers. Hope to see you August 12th! ###
